(as of 4/8/2011)**

Question 13: The following note should be added to this solution:

Note: this question actually does not specify whether the bankruptcy filing is a liquidation filing, or a reorganization filing. The above discussion relates to a liquidation filing – if the filing is a reorganization filing, then the statement is clearly true as ERISA section 4006(a)(7)(A) **does** cross reference ERISA section 4041(c)(2)(B)(ii), dealing with reorganization filings.

Question 21: The statement is false (not true), and the answer choice should read B (not A). The explanation is correct.
